## FOR IMMEDIATE RELEASE

### **Path to a Happy Life Launches Website Bringing Hope and Inspiration – All Free**

Help Has Arrived, and There's Lots More to Come.

Path to a Happy Life is excited to announce the [www.pathtoahappyliife.com](http://www.pathtoahappyliife.com) official website launch on January 2, 2021.

Path to a Happy Life is a \*brand-new\* labor of love and a **completely FREE** offering by creators Dominique Gizelle and Paul Biondi.

*"2020 was a rough year; a lot of people are seeking someone to help them cope with the fallout. Other people are looking for ways to help. Path to a Happy Life was created to provide resources to help people pick themselves up and begin again and to inform others on ways that they can help", says Dominique Gizelle **"and it's all completely free"**.*

The mission of Path to a Happy Life is to restore hope and bring inspiration and resources to people who are struggling through this difficult time. The site provides free tools and offerings intended to help them see where they're going as they forge their way through new and uncharted territory.

The website offers a steady stream of **free** uplifting, motivational content, daily motivational quotes and inspirational videos, all intended to help inspire people to approach each new day with the confidence and enthusiasm that will help them to reach their goals and live their best lives.

Myriad **free** downloads and links include: Guided Meditations; Motivational Alarm Ringtones; Helpful printable downloads; Life Affirming (audio) Articles; Ask Path to a Happy Life (advice column); Resource links to top Motivational, Inspirational and Spiritual leaders; a Giving Center (for those who want to be of help to others); a **free** 2021 calendar with 12 months of inspiring reminders and powerful motivating quotes; and much more...

*"Our goal is to help people get a kickstart to each day, by providing them with a **free dose** of daily inspiration, motivation and support, all in one central place". - Paul Biondi*
